Dear Mr. Halligan:

We have completed our review of the State request (MDOT Control # 11-62) to modify the Fiscal Year (FY) 2011 Statewide Transportation Improvement Program (STIP) and FY 2012-2015 Baltimore Regional Transportation Board's (BRTB's) Transportation Improvement Program (TIP). Specifically, the STIP/TIP is being modified for the following projects:

- MD 175: Intersection Improvements between MD 32 – I 95, replace the NHS funding source with the STP funding source.
- BRAC related Intersection near Aberdeen Proving Ground: Shift \$300,000 in NHS funds from the construction phase to the ROW phase in FY 2012; and
- Areawide Congestion Management: Shift \$600,000 in CMAQ funds from the construction phase to PE phase in FY 2012.

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP/TIP modification please contact Kwame Arhin at (410) 779.7158.

Sincerely yours,

  
Gregory Murrill  
Division Administrator
